## Feedback

Feedback provided by participants

*"I have taken so much away and cannot wait to get back to my amazing students and put into action some of the strategies I have learnt"*

...

*"The webinars should be mandatory in all levels of certified coaching"*

...

*Thanks for running these sessions. The information was highly valuable and the lived experiences shared were just brilliant and so insightful"*

...

*"The online learning was very comprehensive and relevant to my job as a PE teacher"*

...

*"It was most definitely the most extraordinarily rich learning experience I have attended on-line. Thank you"*
